

Melbourne Class Photos 2023

We welcome the Academy Photography team back this year to take individual photos of all choristers during regular class time. Once the photographers have visited all of our venues, we will send you a personalised email in early June with your Secure Access Key so you can preview your daughter's photo before having the option of purchasing photos online. Photos will be distributed to your daughter's rehearsal venue.

All class group photos are a composite of the individual portraits that all girls will have taken at their regular rehearsal on the date below. Girls should wear their weekly rehearsal uniform with hair tied back.
